YOUR HOME. YOUR BATHROOM.

A little sanctuary. A lot of possibility.

Create a bathroom that brings comfort to every day. Whether you imagine a relaxing retreat or a practical family space, CK Kitchens & Bathrooms can help you find the right balance of style, finish and function.

Designed for you

Ideas shaped around your home, routine and budget.

Quality in every detail

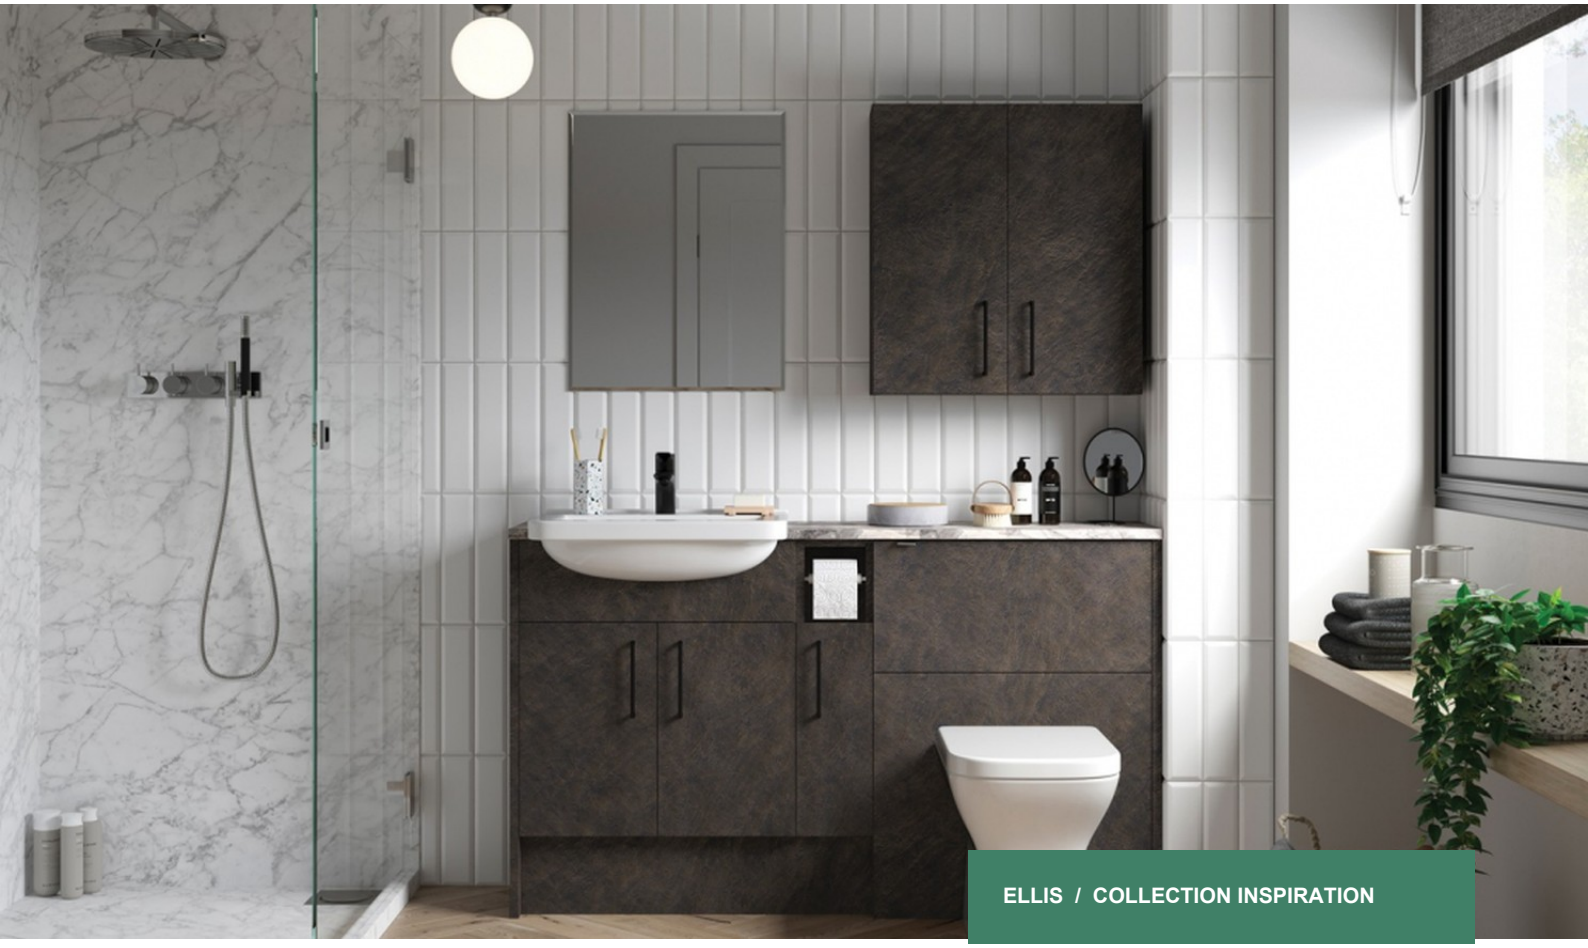

Carefully considered furniture, fittings and finishes.

From start to finish

Design, installation and full project management.

Based in Falmouth, helping customers across Cornwall bring their bathroom ideas to life.

ELLIS / COLLECTION INSPIRATION

LET'S CREATE YOUR PERFECT BATHROOM

Thoughtful design. Made personal.

Our experienced designers help turn your ideas into a room that works beautifully. Explore sanitaryware, made-to-order furniture and the details that give your bathroom its own character.

Plan the space

Consider layout, movement and the way you use the room.

Make room for more

Discuss storage and furniture that make everyday life easier.

Find your finish

Bring colours, materials and fittings together with confidence.

EXPLORE THE COLLECTIONS

Quality. Choice. Possibility.

Discover a range of looks and products with our bathroom partners.

01

Claygate

Find sanitaryware, furniture and accessories across a broad choice of styles and finishes. We can help you choose a coordinated look for your home and budget.

02

Formula

Explore contemporary and traditional bathroom ideas, with baths, showers, furniture and finishing touches to bring your plans together.

03

Phoenix

Combine modern styling with everyday practicality. Discover furniture, baths, showers and accessories for a bathroom with its own personality.

Ask your designer about the latest collections, finishes and product availability.

BEAUTIFULLY CONSIDERED

Furniture with character. Details with purpose.

MADE TO ORDER

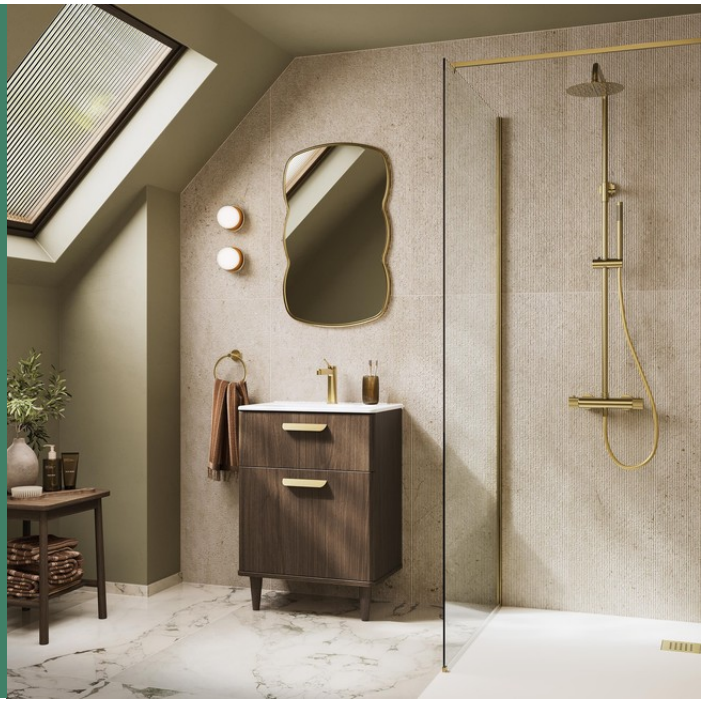

Ellis

Give your bathroom a personal touch with made-to-order furniture. Ellis brings together considered craftsmanship, enduring style and a versatile palette of finishes.

STYLE MEETS FUNCTION

HiB

Complete the room with mirrors, furniture and accessories that combine contemporary design with useful innovation. Explore the features that suit your everyday routine.

FROM THE FIRST IDEA TO THE FINAL DETAIL

Your bathroom. One managed project.

Enjoy a joined-up approach to your new bathroom. With design, quality products, installation and full project management brought together, CK Kitchens & Bathrooms helps guide the work from preparation through to the finishing touches.

01

Plan with confidence

Talk through your ideas, priorities and budget, then agree the approach with our team.

02

Bring it all together

Coordinate the products, room preparation and installation as one bathroom project.

03

Finish with care

Complete the details that bring the room together, including agreed finishing work.

IMAGINE THE POSSIBILITIES

A bathroom you will love coming home to.

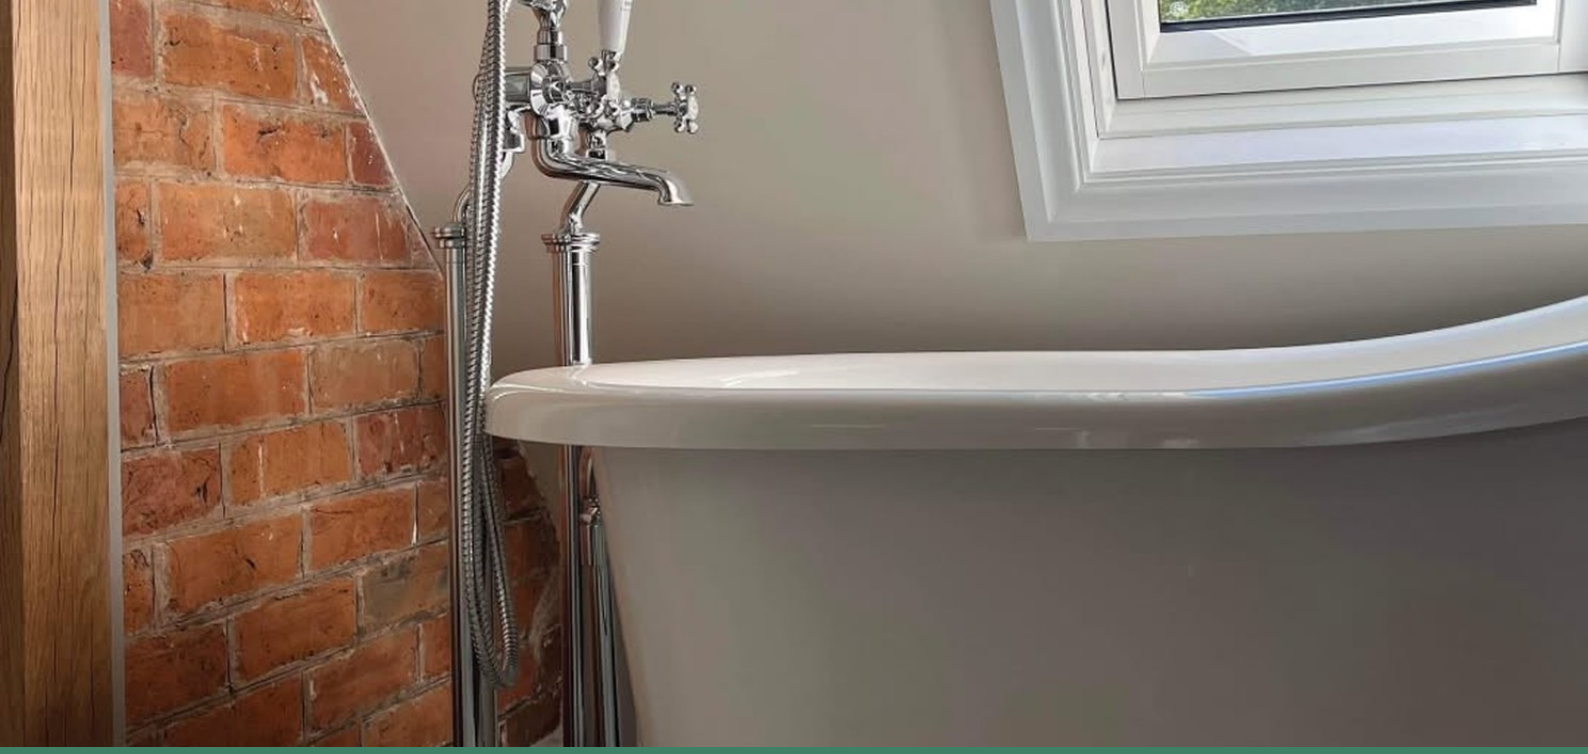

Bring your ideas. We will help with the rest.

Save the looks you love and talk them through with one of our bathroom designers.
